

If you have a valid U of A parking permit or a one-day visitor permit, you can park in the lots marked with a black dot at 5 p.m.

If you do not have a UA permit, you can use the metered parking spots along Arkansas Avenue (noted as a red line on the map above) for nearest parking. The Harmon Garage and Garland Garage also have metered parking, but it is a larger walk (~10 minutes). You can also [purchase a one-day parking permit](#) here to access the lots mentioned above.
